INTEREST

I am interested session work, film scoring, production and remixes, and a part or full time position in a band.

EXPERIENCE

I have played guitar for 15 years with 7 years of formal lessons. I have 7 years of live playing experience with local bands. I have been part of two week-long tours of England with Chuck Elmore. I record music under the name Lowercase Noises and have self-produced and engineered all releases. I have a degree in Computer Science and enjoy working with computers, maintaining websites, and social networking.
